

Welcome to the Westport July Book Sale – Dealer Information

If you are a large volume buyer we ask that you adhere to the following:

- No scooping or running.
- Leave no piles of books, boxes or carts unattended in the aisles. These are Fire Department's rules.
- The area provided for your piles is at the back of the Main Tent. You will be asked to ID your bags/boxes with your name and cell phone number in order to avoid a shelver restocking the books you are reviewing or purchasing. Cashiers will tally your purchases in this "large volume" area, and will hold them while you pay at the Cashier Tent. Please make sure you get your paid receipts.
- Please limit the time you hold books. There are re-sorting boxes with category signs on them in front of the Large Volume Holding area. It would be appreciated if you return the books you do not want to the proper categories. Just as you enjoyed viewing books in categories, so do all sale attendees.
- Hand trucks: There are some available. Please return the dolly to the sale area as soon as you have transferred them.
- McManus Room inside library: All books must be purchased in this area before leaving. Please use the designated sorting areas. There will be no book holds here.
- There is a holding tent (#7 on map) for purchased items between the Main Tent and the McManus Room.
- Bathrooms are inside the library.
- Refreshments can be purchased inside the library café all four days (and outside on Saturday and Sunday) or on Main Street, Westport, within walking distance.

We hope you have an enjoyable experience. Thank you for supporting the Westport Library!
