Substitute Position in Childrens Library

The Westport Library is seeking creative, energetic, cheerful, outgoing individuals to be an active part of our Children’s Library team. Your understanding of child development allows you to engage with children easily and meaningfully. Your warmth makes kids and their caregivers regard the library as their second home (after we get through the pandemic). You take pride in your ability to match a child’s interest to the right book.

Requirements: Comfortable providing reader’s advisory with a working knowledge of children’s literature and reading interests. Good interpersonal skills and communication skills and ability to relate well to children from birth through middle school as well as their parents and caregivers.

Qualifications: Bachelor’s Degree required; Degree in education or child related field and/or previous library experience a plus.

Schedule: Variable depending on departmental needs.

Apply with a cover letter and copy of your resume to jobs@westportlibrary.org. Please include the title of the position in the subject line.
