

The Westport Library... A Community Gathering and Meeting Space

Since 1908, the Westport Library has been at the center of our community, open to all. A key focus of the Transformation project was to increase the capacity for patrons and organizations to gather and meet for collaboration, planning, study, information sessions, and to attend our more than 2000 programs a year.

In addition to the flexible 400+ seat Trefz Forum for performances and programs, we have created 7 small meeting rooms, 4 mid-sized conference rooms, 4 large conference rooms, and a family lounge.

Below are some of the attributes of our spaces for use by the community. Most can be reserved with a couple of clicks on our online system at westportlibrary.org/book-a-room/

OVERALL POLICY

Only one reservation can be made at a time and only one per day.

CONCIERGE SERVICES

Room set up, including tech and seating configurations.
